

Architectural cross-section of a building. The diagram shows a two-story structure with a gabled roof. Key elevations are marked: +8.100 at the roof ridge, +6.130 at the top left corner, +5.600 at the top of the main floor, +2.800 at the top of the first floor, +0.000 at the ground level, +1.550 at the top of the basement, and -1.200 at the bottom of the basement. Structural elements are labeled: P1 (roof structure), P3 (roof structure), S1 (wall structure), S2 (wall structure), C1 (column structure), and P2 (column structure). A staircase is shown on the right side. A note in the top right corner reads: "Esošas margas un bēniņu kāpnes attīrīt un pārkrāsot, margām uzstādīt jaunu koka lenteri." (Clean and repaint the existing eaves and attic stairs, install a new wooden ladder for the eaves).
